

Joyful Sound! Choir & Performing Arts

JOIN US

for our 2020-2021 season!

What Is Joyful Sound?

Joyful Sound! Choir was established nearly 30 years ago. Paula Spencer, Director of the choir, left teaching in the public school system to raise her own children. As they got further into their homeschooling journey, Paula realized homeschool students in the Houston area were missing out on an opportunity for a quality music education. She began speaking with homeschool friends in the community regarding her love of teaching as well as her credentials, and before too long, she had acquired enough students to form the first Homeschool Choir in the Houston area!

Joyful Sound! has always had a performing arts aspect to the program that goes deeper than just choir. Sometimes that has been in the form of a full Broadway style performance and other times it has meant a concert with the first act being a formal choral performance and the second act packed full of dancing and soloist performances.

JS! also has a 30 year tradition of ministry during the holiday season. While ministry season will look different this year due to COVID, there will be some form of ministry opportunities for JS! students this year. Our students form strong bonds with one another as they sing and serve our community together!

Opportunities In Joyful Sound!

We offer a la carte options to join Joyful Sound! No experience necessary to join us, our instructors will offer everything your student needs to SUCCEED!

All Joyful Sound! students enroll in **Choir**. We have a Children's Chorus (ages 6-12) and a Youth Chorus (ages 12-18)

We offer several optional **ensemble opportunities** for students who wish to compete in state choral competitions as well as experience extra performance

Show Choirs/performance groups are a fun optional opportunity that give students additional instruction in performance skills such as dance and stage etiquette.

There is a strong **social aspect of JS**. There are retreats, holiday parties, end of the year banquets, and so much more! We are ready to add your family to ours!
